Please find below the steps to follow in order to register a team for all Volleyball Alberta Premiers & Provincials. Important dates, such as registration deadline, draw release date, roster lock date, and more are included in the **schedule** which can be found on volleyballalberta.ca > INDOOR > Club > General Info page.

2025 Premiers and Provincials Registration opens on Wednesday, October 16, 2024 at 9:00am.

Clubs will need to roster a minimum of 1 head coach before being able to buy the Premier & Provincial event registrations. A minimum of 8 players is required for competition.

Event Registration Process

To successfully register into Premiers & Provincials, Club Presidents must first complete their minimum mandatory registration requirements as outlined in the **Club President Registration Guide**, activate their CLUB PORTAL and create their **roster sheets** (teams).

Rostered Coaches can view their roster sheet to manage it, add/release/assign roles to players and coaches, and register into events from their **Sportlomo User Account Login**. But first, the club president or primary club portal administrator must create the team's **roster sheet** in the club and roster them.

Screenshots of each step are provided in the next few pages.
