

## Doctors Urgently Needed July 15-19

An International beach volleyball tournament is being held in Edmonton July 15-21, 2019 (next week), in Edmonton at the old Northlands Horse Racing Track and they are short on doctor coverage. Available timeslots are below, **payment is \$100/hour**, and you get to see some Olympic level beach volleyball. Athletic Therapists are on site for all the athlete taping and injury management. The doctors are there to assist with any “major injury”, and be on site to meet the regulations for this international event. Anyone interested/available can contact me directly: Jim Plakas, [jplakas@volleyballalberta.ca](mailto:jplakas@volleyballalberta.ca) or (cell) 780 995-5972.
